ALERT: Thackeray Mines & Minerals Inc. ("Thackeray Mines")
DATE: June 13, 2025
WEBSITE OF SUBJECT: www.thackeraymines.com (this URL has been manually altered so as not to be interactive)

The Financial and Consumer Affairs Authority of Saskatchewan (FCAA) warns investors in Saskatchewan of an impersonation scam involving the online entity www.thackeraymines.com, which is purporting to be associated with the Saskatchewan corporation, Thackeray Mines & Minerals Inc.

The website www.thackeraymines.com claims that Thackeray Mines is seeking investors and engaged in several rounds of private placement investment in advance of a public listing. The legitimate Thackeray Mines has confirmed that they are not associated with www.thackeraymines.com, are not seeking investment, are not engaged in any private placement or public offerings and are not in the business of selling stocks.

Thackeray Mines and www.thackeraymines.com are not registered with the FCAA to trade or sell securities or derivatives in Saskatchewan. The FCAA cautions investors and consumers not to send money to companies that are not registered in Saskatchewan, as they may not be legitimate businesses.

If you have invested with Thackeray Mines, www.thackeraymines.com, or anyone claiming to be acting on their behalf, contact the FCAA's Securities Division at 306-787-5936.

In Saskatchewan, individuals or companies need to be registered with the FCAA to trade or sell securities or derivatives. The registration provisions of *The Securities Act, 1988*, and accompanying regulations are intended to ensure that only honest and knowledgeable people are registered to sell securities and derivatives and that their businesses are financially stable.

Tips to protect yourself:

- Always verify that the person or company is registered in Saskatchewan to sell or advise about securities or derivatives. To check registration, visit The Canadian Securities Administrators' National Registration Search at aretheyregistered.ca.
- Know exactly what you are investing in. Make sure you understand how the investment, product, or service works.
- Get a second opinion and seek professional advice about the investment.
- Do not allow unknown or unverified individuals to remotely access your computer.
