Dear Mr. Jensen:

**Re: The Regina Civic Employees' Superannuation & Benefit Plan
Registration Number 0268425**

The purpose of this letter is to advise stakeholders of The Regina Civic Employees' Superannuation and Benefit Plan (the "Plan") that I have received a request to extend the deadline for filing submissions regarding the cancellation of the plan's registration from November 30, 2014 to December 5, 2014. This request was made by the City of Regina on behalf of the employers and the Regina Civic Pension and Benefits Committee on behalf of member employees. The City of Regina and the Regina Civic Pension and Benefits Committee have indicated that they will be submitting a joint submission reflecting proposed changes to the plan, and that the extension is required in order to fully develop, articulate and document the details of the joint submission.

In my letter dated July 17, 2014, I indicated that I was particularly interested in hearing from stakeholders about action being taken by contributing employers and/or plan members which will result in the Plan coming into compliance with *The Pension Benefits Act, 1992* (the "Act") and ensuring that in the future the Plan continues to comply with the Act.

In determining whether to grant an extension of the filing deadline for submissions, I have considered the reason for the request and whether there is any prejudice to any of the parties in allowing the extension. In the circumstances, given the reasons for the

request, that the length of the extension requested is brief and that there is no prejudice to any of the parties in granting the extension, I am satisfied that it is appropriate to grant the request for extension. **Accordingly, the deadline for filing submissions is extended to December 5, 2014.**

All submissions will be posted on FCAA's website (www.fcaa.gov.sk.ca).

Yours sincerely,

Leah Fichter
Deputy Superintendent of Pensions
