IN THE MATTER OF THE SECURITIES ACT, 1988,

and

IN THE MATTER OF ISSSUERS WHOSE SECURITIES ARE LISTED ON THE ALPHA MAIN MARKETPLACE OPERATED BY ALPHA EXCHANGE INC.

ORDER (Section 160)

WHEREAS the Saskatchewan Financial Services Commission (the "Commission") has assigned to the Director of the Securities Division (the "Director") the power to make exemption orders under provisions of *The Securities Act*, 1988 (the "Act") including orders of general application;

AND WHEREAS the staff of the Commission have applied to the Director for an order pursuant to section 160 of the Act exempting certain issuers whose securities are listed on the Alpha Main marketplace operated by Alpha Exchange Inc. from certain requirements of securities legislation;

AND WHEREAS it has been represented to the Director that:

- 1. The Ontario Securities Commission issued an order recognizing each of Alpha Exchange Inc. ("Alpha Exchange") and Alpha Trading Systems Limited Partnership ("Alpha LP") as an exchange on December 8, 2011 ("Recognition Order");
- 2. The Director issued an order on March 13, 2012 exempting Alpha Exchange and Alpha LP from the requirement to be recognized as an exchange ("Exempting Order");
- 3. It is expected that the operations of Alpha ATS Limited Partnership ("Alpha ATS") will be legally transferred to Alpha Exchange;
- 4. The Recognition Order will be effective as at the later of: (a) February 1, 2012; or (b) the date the operations of Alpha ATS have been legally transferred to Alpha Exchange;
- 5. The Exempting Order will be effective as at the date the operations of Alpha ATS have been legally transferred to Alpha Exchange;

- 6. Alpha Exchange intends to operate two marketplaces, referred to as "Alpha Venture Plus" and "Alpha Main", Alpha Main having listing requirements with more rigorous standards than Alpha Venture Plus;
- 7. Securities legislation applicable to issuers may vary depending on which marketplace or exchange the issuers' securities are listed or quoted on;
- 8. It is appropriate that issuers whose securities will be listed on the Alpha Main marketplace (individually, an "Alpha Main Issuer" and collectively the "Alpha Main Issuers") be subject to, and benefit from, the same securities legislation as that which applies to issuers whose securities are listed on the Toronto Stock Exchange Inc. ("TSX");
- 9. One of the requirements applicable to an issuer who meets the definition of *IPO* venture issuer provided in National Instrument 41-101 General Prospectus Requirements and in National Instrument 52-107 Acceptable Accounting Principles and Audit Standards is that an issuer not have any of its securities listed or quoted on the TSX, a United States of America marketplace, or a marketplace outside of Canada and the United States of America, other than the Alternative Investment Market of the London Stock Exchange or the PLUS markets operated by PLUS Markets Group plc;
- 10. The definition of "short form eligible exchange" provided in National Instrument 44-101 *Short Form Prospectus Distributions* and in any other regulation where reference is made to this definition, refers to each of the TSX, Tier 1 and Tier 2 of the TSX Venture Exchange and the Canadian National Stock Exchange;
- 11. One of the requirements applicable to an issuer who meets the definition of "exempt issuer" provided in National Policy 46-201 *Escrow for Initial Public Offerings* ("National Policy 46-201") is that an issuer, after its initial public offering ("IPO"), have securities listed on the TSX and be classified by the TSX as an exempt issuer;
- 12. One of the requirements applicable to an issuer who meets the definition of "established issuer" provided in National Policy 46-201 is that an issuer, after its IPO, have securities listed on the TSX and not be classified by the TSX as an exempt issuer or have securities listed on the TSX Venture Exchange and be a TSX Venture Tier 1 issuer;
- 13. One of the requirements applicable to an issuer who meets the definition of "venture issuer" provided in National Instrument 51-102 Continuous Disclosure Obligations, National Instrument 52-109 Certification of Disclosure in Issuers' Annual and Interim Filings, National Instrument 52-110 Audit Committees, National Instrument 58-101 Disclosure of Corporate Governance Practices and in any other legislation where reference is made to this definition, is that at the applicable time, the reporting issuer not have any of its securities listed or quoted on the TSX, a United States of America marketplace, or a marketplace outside of Canada and the United States of America, other than the Alternative Investment Market of the London Stock Exchange or the

PLUS markets operated by PLUS Markets Group plc;

- 14. Certain exemptions from the formal valuation and the minority approval requirements provided in Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* apply to an issuer that does not have securities listed or quoted on the TSX, the New York Stock Exchange, the American Stock Exchange, the NASDAQ Stock Market, or a stock exchange outside of Canada and the United States of America, other than the Alternative Investment Market of the London Stock Exchange or the PLUS markets operated by PLUS Markets Group plc;
- 15. The above-cited definitions, requirements or exemptions currently do not refer to the marketplaces that Alpha Exchange intends to operate;
- 16. It may be appropriate to revise relevant securities laws to include the Alpha Main marketplace, where applicable, and until this is done, it is important that Alpha Main Issuers comply with, and benefit from, requirements that are fair and equal when compared to other issuers that have securities listed on comparable exchanges;

AND WHEREAS the Director is of the opinion that it would not be prejudicial to the public interest to make this order;

IT IS HEREBY ORDERED pursuant to section 160 of the Act that each Alpha Main Issuer is exempted from the following requirements:
